

There Is No End To The Good You Can Do.

Gilead started the Leave a Legacy Society in 2007. Members of this society commit to remember Gilead Community Services through their estate planning or will. This is not a complicated process; anyone can do it and it often takes only minutes to accomplish. Many different amounts can be considered, an amount you feel comfortable with. Doing something and taking action to fulfill your wish to preserve Gilead's ability to improve lives and build futures is the important step you can take. Not only are you benefitting a charitable organization but also receiving tax benefits and setting a wonderful example for your friends and family.

The Top 7 Things You Can Do Today

- Prepare or update your will
- Set aside a gift in your will for your favorite charity that has made a difference in your life
- Name your favorite charity as the beneficiary of an existing life insurance policy or purchase a new policy and name the charity as the beneficiary.

- Name a charity as the beneficiary of your pension plan or IRA
- Discuss with your advisors or your favorite charity the tax advantages you can enjoy now by leaving a gift to a charity
