Culinary Unit Update

By J. Kolpak

PSSSST...PSSSST...Do you want to hear a secret? J.R. is back in the Culinary Unit and is ready to serve high end lunches at low prices to club members with great appetites. I am very happy to be back in the newly renovated kitchen. It looks great with all new stainless steel tables that replace our old outdated cabinets. We also got a new floor in the kitchen. The place looks great and we are ready to serve some great meals.

During the month of November we will be serving a Thanksgiving meal, tacos, chicken marsala, and pork shoulder just to name a few. Look in the back of the newsletter to get a full lunch menu. I would like to thank Eric Z., Anthony D., Gilbert G., and Debbie K. for all of their help in making my transition back to the kitchen as seamless as it has been.

If you are interested in coming in to make a special meal, please do not be shy. Come in or call the clubhouse to get your creative creation on next month's menu. If you are interested in learning how to cook or wish to help with the day to day activities of the kitchen, come on in and volunteer. I would love to have some company in the kitchen. For a ride to the social center call Monday through Friday before 8:30am @ (860) 343-5310. I live for the fall. Go football team!

<u>UNIT 31</u>

Gail is the Staff that will be working with Unit 31 this year. The club is looking **GREAT.** We are always looking for new recruits. We want to maintain a clean club. We are looking for volunteers with sweeping, mopping, stairs.vacuuming, walls[washed], and windows[cleaned], etc. We want our club to look beautiful on the inside as well as the outside. The only way we can do the cleaning is accept as a team working together.

The colors for the months of October and November will be orange, yellow and brown tones. The end of September was the beginning of Autumn. I need volunteers to decorate the club. I know we have several good artists that could change the entire ambiance of the club upstairs and downstairs. We need to create a theme so others can give input. Come to the club to share your talent.

The social club wishes everyone a Very Happy thanksgiving Holiday. It's a time to be grateful and the season. November is a festive month and we will be celebrate inf Veteran's Day and Thanks giving. Come on down and celebrate our Thanksgiving meal on November 18.. There will also be a meal on Thanksgiving Day. The club will be open on November 25.

The business unit is in the process of recruiting members to work in the business unit members need to be more active in participating in being creative.

Election Day is quickly approaching Tuesday November 8th. We want all registered voters to get out and vote. If you need a ride we will provide transportation. Starting after the first of New Year we will be going to the LOB in Hartford. The purpose is to be seen and heard by our newly elected representatives.
