

Dear Supporter,

It's not a simple task to access all the ingredients of a meaningful life if you're struggling with mental illness. At this time of reflection, our Gilead family finds itself newly grateful for all the ways our community partners step up to help supply so many of these crucial ingredients.

Such as . . .

- A Job Trainer, who helps clients feel needed and useful
- A Sensitive Landlord, who offers well-maintained and affordable housing
- A Volunteer Tutor, who helps a client get his GED
- A Dedicated Pharmacy that simplifies medication management
- Volunteers who enrich our client's lives with music and art
- And most of all, our **Generous Donors** who make it possible for us to provide the high quality mental health services that are so critical for recovery and a satisfying life.

It's easy to see that **It Takes a Community to Make a Home!**

You are a critical member of our Gilead community. Your love for your neighbor and your spirit of giving are proof that those among us who are most in need can find support in a community that shows up again, and again, and again.

You can join this community of partners and provide one of those essential ingredients in a meaningful life, by sending your donation today. You may use the enclosed envelope, or donate on our website at gileadcs.org. When you do, you just may discover that your own life has become more meaningful, too!

Wishing you all the blessings of the season,

Sincerely,

Daniel E. Osborne, CEO
