SPONSORSHIP OPPORTUNITIES

Gilead Community Services offers your organization a prime opportunity to build brand loyalty, access a desirable target market and be a strong corporate citizen. Help Gilead raise money to fund life-changing experiences for individuals living with severe mental health conditions throughout Middlesex County. By sponsoring Team Gilead, you are helping over 600 individuals who receive life-saving mental health services in Middlesex County.

In 2017, Team Gilead was comprised of over 360 members, including clients, staff, families, and community members. We proudly wore our blue t-shirts with the message "1 in 5 adults living in America experience a mental illness."

Our 2018 Run for Every 1 goals are:

- To raise awareness about mental illness and how many people are impacted
- To support a wellness initiative that brings clients, staff and community together
- To grow our team to 500 people in celebration of Gilead's 50th Anniversary!
- To raise funds to continue providing quality mental health services to over 600 individuals living throughout Middlesex County

Gilead Community Services has been providing housing, support services and clinical treatment to individuals with mental health conditions throughout Middlesex County, Connecticut since 1968. Gilead offers a continuum of services to foster recovery from mental health conditions, including general counseling for individuals and families through our outpatient clinic in Middletown, as well as very intensive community-based programs that offer case management and rehabilitation services to individuals who live independently and benefit from regular clinical and support services. Thank you for coming together for this wonderful cause. Together we can improve lives and build futures. We'll see you at the finish line!
