

Rooftop Dining for 10

You and your friends are sure to enjoy this unique dining experience, with amazing views, food and drink. You'll be among the few to witness the very best view of Middletown's Main Street, the Connecticut River, its surrounding valley, and the Arrigoni Bridge, on the roof of the Community Health Center headquarters. This space offers a meditative garden, glass enclosed room, and breathtaking views of Middletown. The air conditioned room, where your dinner is served, is powered completely by solar panels. It'll be an evening to remember!

Item includes: Delicious dinner catered for 10 people in the serene rooftop setting of the CHC building.

Donated by: Community Health Center
